countless kalpas.?

42. 55 Sudhana said, ?Arya, what is the scope of this Bodhisattva liberation called the miraculous manifestations at the birth of Bodhisattvas throughout all the perceptions of countless kalpas??

She answered, ?Noble one, I fulfilled the prayer to see and approach the births of all Bodhisattvas.

42. 56 ?Noble one, I have comprehended the vast ocean of births of the Bhagavat Vairocana. Thus, I have observed his births as Bodhisattvas in this world realm of a thousand million worlds. Because of my past prayer, I have been born in the Lumbini Forest of Jambudvipa, one of the four continents, in order to see the appearance of Bodhisattvas. Now I am dwelling here, remembering and meditating on the births of Bodhisattvas. In that way, I remain here. After I had been dwelling here for a hundred years, the Bhagavat transmigrated from Tushita. At that time, there were ten omens that appeared in the Lumbini Forest. What were those ten? The first omen was that in this Lumbini Forest everywhere became level without ravines or cliffs or high ground and low ground. The second omen was that throughout this Lumbini Forest the ground became made of diamond, was free of pebbles, gravel, pieces of wood, and thorns, and was filled with many jewels. The third omen was that this entire Lumbini Forest became a place thick with rows of precious trees, sal trees, and palm trees. The fourth omen was that this entire Lumbini Forest became a place in which grew aromatic seedlings that were superior to divine matter, [F.209.a] in which appeared a treasure of all powders, in which arose clouds and mists of all banners, and which was adorned on every side by tree trunks formed of aromatic precious materials. The fifth omen was that this entire Lumbini Forest became a place where

there appeared, spreading everywhere, a treasury of various flowers, garlands, and ornaments made of divine materials. The sixth omen was that throughout this Lumbini Forest all the trees became treasures of excellent precious jewels. The seventh omen was that in all the lotus beds throughout this Lumbini Forest, all the flowers that grew from water blossomed, rose up out of the ground, and floated above the water. The eighth omen was that all the devas, Nagas, yakshas, gandharvas, asuras, garudas, kinnaras, mahoragas, lords of the world, and lords of beings in this world's desire realms and form realm gathered with their palms together in homage in this Lumbini Forest. The ninth omen was that all the female devas, Nagas, yakshas, gandharvas, asuras, garudas, kinnaras, and mahoragas in this world realm of Jambudvīpa gathered in this Lumbini Forest joyfully, holding every kind of offering in their hands, [F.209.b] gazing at the branches of the pippala tree, bowing down, and paying homage. The tenth omen was that many light rays called the lamps of the miraculous birth of the Bodhisattva shone from the circle of the navels on the bodies of all the Tathagatas in the ten directions, and they illuminated and remained in this Lumbini Forest. And all the qualities of the Bodhisattvas, including their miraculous births, were heard emanating, with the sound of a Buddha's speech, from the circular tips of those light rays.¹⁷¹⁷

1718

42. 57 ?Those are the ten omens that appeared when the time came for the birth of the Bodhisattvas. When they appeared, all the lords of the world knew, ?a Bodhisattva is going to be born.?
?Noble one, in that way they gained an inconceivably powerful joy on seeing those ten omens.

42. 58 ?Moreover, noble one, when Mayadevi came from the great city of Kapilavastu, ten great illuminating omens appeared in this Lumbini Forest. When they appeared, they increased within countless beings the power of joy in the light of the Dharma of omniscience.

42. 59 ?What were those ten? (1) All of the precious kutagaras upon the surface of the earth shone. (2) All the classes of aromatic flowers shone. (3) Light shone from all the petals of blossomed precious lotuses, and they emitted the sweet-sounding words: ?The excellent birth has come to be.? [F.210.a] (4) The illumination from all the first aspirations to enlightenment by Bodhisattvas in the ten directions appeared in and illuminated this Lumbini Forest. (5) The miraculous manifestation of illumination from the Bodhisattvas ascending all the bhumis appeared in and illuminated this Lumbini Forest. (6) All the illumination from the light of the accomplishment of all the perfections and the realization of knowledge by the Bodhisattvas in the ten directions appeared in and illuminated this Lumbini Forest. (7) All the illumination from the knowledge of the Bodhisattvas in the ten directions that has power over all prayers appeared in this Lumbini Forest. (8) All the illumination from the knowledge of the Bodhisattvas in the ten directions that accomplishes their vast prayers appeared in this Lumbini Forest. (9) All the illumination from the knowledge of the Bodhisattvas in the ten directions that ripens and guides beings appeared in this Lumbini Forest. (10) All the illumination from the knowledge of the Bodhisattvas in the ten directions that comprehends the miracles of all the Budas, their setting forth, and their enlightenment at buddhahood appeared in this Lumbini Forest. Those ten great illuminating omens appeared. [F.210.b] They illuminated the darkness of mind and thoughts in a vast number of beings without end or middle.1719

42. 60 ?Noble one, when Mayadevi came to the pippala tree, all the gathered assemblies of the lords of the world, the devas of the desire realms with groups of apsarases and retinues of deva maidens, all the assembled devas of the form realms, who were free of odors, and the gatherings of Nagas, yakshas, gandharvas, asuras, garudas, kinnaras, mahoragas, and their retinues who were engaged in making offerings to the Bodhisattvas had their bodies and their assembled offerings illuminated by Mayadevi's brilliance, splendor, color, and form. All the lights that were in this world realm of a thousand million worlds were outshone and eclipsed. No other lights could affect, obscure, prevent, or impede the light and radiance that was emitted from all Mayadevi's pores. They filled all the directions and ended all the suffering of beings in the hells, all the suffering of beings in birth as an animal, all the suffering in the world of Yama, and all the suffering and kleshas of all beings within the various states of existence, and they remained illuminating, shining, and brilliant.

[F.211.a] Within that world realm of a thousand million worlds, in all the Jambudvipas in its thousand million four-continent worlds, in kingdoms with various names, in forests with various names, Mayadevi went to the foot of various kinds of trees, where she was encircled by all the lords of the worlds, waiting in preparation for the birth of the Bodhisattva. This was through the inconceivable miraculous manifestation of the wisdom of the Bodhisattva's mother.1720

42. 63 ?Noble one, that was the second miraculous manifestation at the birth of the Bodhisattva that appeared in the Lumbini Forest.

42. 64 ?Moreover, noble one, there appeared within each opening of all Mayadevi?s pores all the Tathagatas that in the past were honored, worshiped, venerated, and offered to by the Bhagavat during his practice of Bodhisattva conduct. All the Dharma that those Tathagatas were teaching could be heard sounding from each pore with the aspects of a Buda?s speech. It was like how the reflection of the display in the domain of the sky of the sun, moon, planets, and stars, and of clouds emitting the deep sound of thunder, appear in a small bowl of water, or a particle of gold, or the bright surface of a mirror, or on very clear water.

42. 65 ?Noble one, in that way, the miraculous manifestations of the past Tathagatas appeared and the sound of all their Dharma teachings sounded within the openings of all Mayadevi?s pores.

There appeared the surface of the realms; their shapes; their arrangement; their bulks; their adorning mountains; their adorning villages, towns, regions, lands, and cities; their adorning parks, rivers, lakes, ponds, and seas; their adorning skies and clouds; their abodes of beings; the yantras that were taught there; the numbers and names¹⁷²¹ of their kalpas; their births of Budas; their perfect purities; the lifespans of

beings; their rebirths into worlds; the communities of beings; the dependence on kalyanamitras; the dedication to virtuous qualities; the engagement in the practice of the Dharma; and the practice of Bodhisattva conduct in Buda realms. In all the pores there appeared all the Bhagavat's attainment of the state of irreversibility, his previous bodies, [F.212.a] his conduct, his appearance, what possessions he had, what happiness and unhappiness he experienced, and his lifespans. There appeared in all the pores of Mayadevi's body images of the various births in all those Buda realms, Mayadevi as the mothers of the Bodhisattvas, and all those bodies of the Bodhisattvas.

42. 68 ?Noble one, that was the fourth miraculous manifestation at the birth of the Bodhisattva that appeared in the Lumbini Forest.

He gave away his legs and arms. He gave away his ears and nose. He gave away his tongue and teeth. He gave away his eyes and head. He gave away his flesh and blood. He gave away his bones and marrow. He gave away his kidneys and heart.

[F.212.b] He gave away his skin and subcutaneous tissue. He gave away all his outer and inner things. He gave away his sons, daughters, and wives. He

gave away his body. He gave away his precious possessions. He gave away his villages and towns. He gave away his regions and realms. He gave away his royal capital. He gave away his wealth, grain, treasures, and storehouses. He gave away his jewels, pearls, beryls, conches, crystals, corals, gold, and silver. He gave away his various precious adornments. He gave away his beds and seats. He gave away his houses and palaces. He gave away all his possessions. There appeared the physical forms of the Bodhisattva and the way in which he gave, the appearance of those who acquired what he gave away, the appearance of the things that he gave away, the places where he gave them away, and all who were at that time in the entourage of the Bodhisattva.

42. 72 ?Noble one, that was the sixth miraculous manifestation at the birth of the Bodhisattva that appeared in the Lumbini Forest.

42. 73 ?Moreover, noble one, when it was time for the succession of Tathagatas in the past to be born from their mother's body, there appeared all the arrays and adornments of Buda realms; the arrays of adorning beings; the arrays of adorning trees; the arrays of flowers, perfumes, incenses, garlands, ointments, powders, clothing, banners, and flags; [F.213.a] the various miraculous manifestations of arrays of all precious jewels; and music, song, praises, and the sound of musical instruments. When Mayadevi came to the Lumbini Forest, all of those arose, appeared, and were perceived by beings in the Lumbini Forest.

42. 74 ?Noble one, that was the seventh miraculous manifestation at the birth of the Bodhisattva that appeared in the Lumbini Forest.

42. 75 ?Moreover, noble one, all that is enjoyed by Bodhisattvas, which are the enjoyment of kutagaras made of all kinds of jewels, the enjoyment of divine

palaces made of kings of jewels, the enjoyment of nets of kings of jewels, the enjoyment of objects made of kings of jewels, the enjoyment of statues made of kings of jewels, the enjoyment of displays of kings of jewels, the enjoyment of all adornments, the enjoyment of all kings of perfume, the enjoyment of all perceptions that are beautiful and pleasing, which transcend the enjoyment of the displays in the residences of all lords of devas and transcend the enjoyment of the displays in the residences of all Nagas, yakshas, gandharvas, asuras, garudas, kinnaras, mahoragas, and lords of humans, were all emanated, unmixed with one another, from the womb of Mayadevi and were present and arrayed everywhere in the Lumbini Forest.¹⁷²²

42. 76 ?Noble one, that was the eighth miraculous manifestation at the birth of the Bodhisattva that appeared in the Lumbini Forest.

42. 77 ?Moreover, noble one, from the body of Mayadevi emanated Bodhisattvas, as numerous as the atoms in countless quintillions of Buda realms, [F.213.b] who had the same body, color, and shape as the Bhagavat Vairocana, the same adornment of the signs and features of a great being, the same aura, the same radiating of light rays, the same way of moving, the same prowess, the same illuminating miraculous manifestations, the same following, and the same displays, and they praised and resembled the ocean of Bhagavat Vairocana's excellences.

42. 78 ?Noble one, that was the ninth miraculous manifestation at the birth of the Bodhisattva that appeared in the Lumbini Forest.

42. 79 ?Moreover, noble one, the time having come for the birth of the Bodhisattva, in front of Mayadevi there rose up from the vajra ground below, breaking through the great earth, a great lotus made of the kings of jewels called an essence that is a display of all jewels. Its essence comprised the king

of jewels, the great indestructible vajra. All kings of jewels adorned the tips of its filaments. It was adorned by rows of circles of petals as

numerous as the atoms in ten Buda realms. Its surrounding leaves were made of various kings of jewels. Its beautiful pericarp was composed of pure wish-fulfilling jewels. It had an array of circles of filaments that had the countless colors of all jewels. An adorning net of countless precious kings of jewels enveloped it. It was covered by a mass of indestructible, powerful, vajra kings of jewels.

1727

42. 80 ?All the lords of the devas encircled it. All the lords of the Nagas sent down rain from clouds of scented water. All the lords of the yakshas encircling it cast down handfuls of divine flowers. [F.214.a] All the lords of the gandharvas sang clouds of praises to it that had a beautiful sound of melodious songs that had honored the Budas of the past. All the lords of asuras, forsaking all pride, arrogance, and haughtiness, bowed down and paid homage. All the lords of the garudas hung precious cloths that adorned the entire sky. All the lords of the kinnaras gazed upon it while engaged in describing with delight the qualities of Bodhisattvas with song and music. All the lords of the mahoragas, gazing upon it with great joy and faith, were engaged in emitting beautiful sounds and sending down rain from clouds of every kind of display.

1730

42. 81 ?Noble one, that was the tenth miraculous manifestation at the birth of the

Bodhisattva that appeared in the Lumbini Forest.

42. 82 ?Noble one, those ten miraculous manifestations at the time of the Bodhisattva's birth occurred in the Lumbini Forest.

42. 83 ?After that, the Bodhisattva, who possessed inconceivable, measureless light that could not be looked at, was born from Mayadevi's womb, like the disk of the sun from the surface of the sky, like lightning flashing from clouds, like the dawn clouds rising from behind a mountain peak, like a great lamp from a deep darkness.

42. 84 ?In that way, the Bodhisattva emerged from the body of Mayadevi, manifesting in the nature of reflection, manifesting in the nature of a dream, manifesting in the nature of perceiving a form that is a conjured illusion, having the nature of being without coming or going, [F.214.b] having the nature of a manifestation of the perception of a light that has no birth or cessation.

42. 85 ?Noble one, in that way, while residing in this Lumbini Forest, I see and comprehend the ocean of the miraculous manifestations at the birth of the Bhagavat Vairocana.¹⁷³¹

42. 86 ?And, noble one, just as I see and comprehend the ocean of the miraculous manifestations at the birth of the Bhagavat Vairocana in this four-continent world, in that same way I see and comprehend a thousand million¹⁷³² miraculous manifestations at the birth of the Bhagavat Vairocana in the thousand million Jambudvipas in all the four-continent worlds in this world realm of a thousand million worlds.

42. 87 ?Just as I see and comprehend the miraculous manifestations of the birth of the Bhagavat Vairocana in a thousand million Jambudvipas in all the four-continent worlds in this world realm of a thousand million worlds, in the

same way, I comprehend the miraculous manifestations at the birth of the Bhagavat Vairocana that are as numerous as the atoms in a Buda realm with each instant of mind, with the penetration of the mind, in all the atoms contained within an entire world realm of a thousand million worlds, known by the knowledge that enters into the atoms of all Buda realms.

42. 88 ?In the next mentation, I see and comprehend equally the miraculous manifestations at the birth of Bodhisattvas within each of the Buda realms contained within the atoms of a Buda realm.

42. 89 ?In that way, although I see and comprehend the miraculous manifestations at the births of Bodhisattvas in each of the Buda realms contained within the atoms of all Buda realms, [F.215.a] there is no knowable end to the succession of realms in each one of all the atoms, and there is no knowable end to the succession of births of Bodhisattvas in each one of all the realms.

42. 90 ?Just as I see and comprehend all the miraculous manifestations at the birth of Bodhisattvas in this world realm, in the same way, in each instant of mind, with the penetration of the mind, through continuous spiritual power, I see and comprehend all the miraculous manifestations at the births of Bodhisattvas in all the vast extent of world realms, without end or middle, in the ten directions and in all atoms.?

42. 91 Sudhana, the head merchant's son, asked Sutejomandala rati shri, the Lumbini Forest goddess, ?Arya, how long has it been since you attained this Bodhisattva liberation called the miraculous manifestations at the birth of Bodhisattvas throughout all the perceptions of countless kalpas??

42. 92 She answered, ?Noble one, in the past, in times gone by, beyond as many kalpas as there are atoms in ten million Buda realms, and even further

beyond, there was a world realm called Samanta ratna in a kalpa called Samapadyata in which appeared eighty quintillion Budas. There appeared in that world the Tathagata Arhat Samyak sambuddha Ishvara gunaparajita-dhvaja, who was one with wisdom and conduct, a sugata, one who knows the world's beings, an unsurpassable guide who tames beings, a teacher of devas and humans, [F.215.b] a Buda, and a bhagavat.¹⁷³³

42. 93 ?Noble one, at the center of the world realm called Samanta ratna, there was a four-continent world called Vicitra vyuha prabha. In the middle of the Jambudvipa of that four-continent world there was a royal capital called Meru vishuddha vyuha dhvaja. In that royal capital there was King Ratnarci-netra prabha. King Ratnarci netra prabha had a queen called Suharshita-prabheshvara.

42. 94 ?Noble one, just as Mayadevi became the mother of the Bhagavat Vairocana in this four-continent world, at that time, in that time, Queen Suharshita prabheshvara became the mother of the Bhagavat, the Tathagata Ishvara gunaparajita dhvaja, in the four-continent world called Vicitra vyuha-prabha. He was the first of the eighty quintillion Budas. She was the mother of the first bhagavat to appear, the Tathagata Ishvara gunaparajita-dhvaja.

42. 95 ?Noble one, when the time had come for the birth of the Bodhisattva, Queen Suharshita prabheshvara, together with two hundred thousand trillion women, went to the great park called Suvarna pushpabha mandala. Prince Ishvara gunaparajita dhvaja was born there with the inconceivable miraculous manifestations that occur at the birth of a Bodhisattva.¹⁷³⁴

42. 96 ?At that time, there appeared in the center of the great park called Suvarna pushpabha mandala a kutagara called Subha ratna vicitra kuta. [F.216.a]

The Bhagavat, the Tathagata Ishvara gunaparakajita dhvaja was born from Queen Suharshita prabheshvara as she held on to a branch of a wish-fulfilling tree inside that kutagara.

42. 97 ?At that time, when the Bhagavat was born, the nurse Vimala sambhava-prabha was in attendance. As soon as the Bodhisattva was born, the lords of the world sprinkled him with a vase of scented water that was wonderfully aromatic and with a variety of beautiful flowers so as to cool his body. They made countless inconceivable, supreme appropriate offerings to him and placed him on the nurse Vimala sambhava prabha's lap. The instant that she took the Bodhisattva onto her lap, the nurse attained great powerful joy and faith and attained the Bodhisattva samadhi called all-seeing. As soon as she attained that, she saw the countless Tathagatas present within the world realms in the ten directions. She entered in a subtle way this Bodhisattva liberation called the miraculous manifestations at the birth of Bodhisattvas throughout all the perceptions of countless kalpas. This was like the moment when a consciousness enters a womb. Through attaining that liberation, she made the great prayer to see the miraculous manifestations at the births of all Tathagatas.

42. 98 ?Noble one, what do you think? [F.216.b] If you think that the Bodhisattva's nurse, Vimala sambhava prabha, at that time, in that time, was anyone else, do not see her in that way. I was at that time, in that time, the Bodhisattva's nurse, Vimala sambhava prabha.

42. 99 ?Noble one, what do you think? If you think that the two hundred thousand trillion women at that time, in that time, were anyone else, do not see them in that way. They are these two hundred thousand trillion goddesses who now dwell in the Lumbini Forest and are my entourage.

42. 100 ?Noble one, what do you think? If you think that Queen Suharshita-prabheshvara, the mother of the Tathagata Ishvara gunaparajita dhvaja, at that time, in that time, was anyone else, do not see her in that way. This Mayadevi was at that time, in that time, the queen named Suharshita-prabheshvara.

42. 101 ?Noble one, what do you think? If you think that King Ratnarci netra-prabha at that time, in that time, was anyone else, do not see him in that way. King Shuddhodana was at that time, in that time, the king named Ratnarci-netra prabha.

42. 102 ?Noble one, since that time, in every instant I have never been apart from seeing and comprehending the ocean of miraculous manifestations at the Bodhisattva births of the Bhagavat Vairocana or from seeing and comprehending the ocean of the miraculous manifestations of his supremacy in guiding beings.

42. 103 ?Noble one, in every moment of mind, with eyes of knowledge that encompass all atoms, I see and comprehend within all atoms in this world realm of Saha an ocean of the Buda realms of the Tathagatas, which have appeared from the vast extent of the ocean of prayers made by the Bhagavat Vairocana. [F.217.a] I see and comprehend the ocean of the Tathagatas that are in those Buda realms. I also see and comprehend the great ocean of the miraculous manifestations at the Bodhisattva births of those Tathagatas.

42. 104 ?In the same way, in every instant of mind I see and comprehend the entire ocean of the miraculous manifestations of the supremacy of guiding beings and the ocean of the miraculous manifestations at the Bodhisattva births of all Tathagatas in the ten directions.

42. 105 ?I perceive without error the births of Bodhisattvas through

comprehending the succession of the entire vast extent of atoms in this world realm of a thousand million worlds, and I comprehend the qualities of the Budas. In the same way, I comprehend the entire ocean of realms contained within the entire vast extent of the atoms in countless tens of thousands of quintillions of Buda realms in the ten directions, and I comprehend the vast ocean of Budas within them. I also see the perception of the miraculous manifestations at the Bodhisattva births of those Buda bhagavats. I make offerings to them when they become Tathagatas. I hear the teachings that those Tathagatas give. I practice the correct Dharma of their Dharma.?

42. 106 Then at that time, Sutejomandala rati shri, the goddess of the Lumbini Forest, [F.217.b] in order to teach clearly the Bodhisattva liberation called the miraculous manifestations at the birth of Bodhisattvas throughout all the perceptions of countless kalpas, through the blessing of the Buda, gazed into the ten directions and recited these verses:

42. 107?Son of the jinas, you have shown respect¹⁷³⁵

And have asked a question, so listen to what I have to say.

The field of activity of the jinas is a peace that is hard to see

And which is manifested through the ways of causes and conditions. {1}

42. 108?I remember as many countless kalpas ago

As there are atoms in ten million realms,

There was a kalpa that had the name Samapadyata,¹⁷³⁶

In which there were eight hundred million jinas. {2}¹⁷³⁷

42. 109?The first of the kalpa's Tathagatas to appear

Was Ishvarajita guna dhvaja.

I saw the birth of that lord of beings

In the supreme forest Svarna pushpa prabhava. {3}

42. 110?I was his wise nurse,

Vimala sambhava prabha.

As soon as he was born, there was a supreme golden light,

And the lords of the world placed him on my lap. {4}

42. 111?When the supreme individual was placed on my lap,

I could not see the top of his inconceivable head.

Though I looked from the right and the left,

I was not able to see where it ended. {5}

42. 112?He was adorned with the excellent physical signs,

And his body was stainless and beautiful.

He was as if made of jewels, and when I saw him

An unparalleled powerful joy increased within me. {6}

42. 113?As I contemplated his measureless qualities,

The ocean of my merit increased.

When I saw the ocean of his miraculous manifestations,

A vast aspiration for enlightenment arose within me. {7}

42. 114?With joy and faith in the Jina's ocean of excellences, [F.218.a]

I gave rise to an ocean of prayers.

The vast extent of all realms was purified,

And all paths to lower existences were averted. {8}

42. 115?I made an ocean of prayers that I would make

Countless offerings to future sugatas

Throughout the vast extent of realms

And liberate beings from suffering. {9}

42. 116?I heard the Dharma from that lord

And attained the field of this liberation.

For kalpas as numerous as atoms in ten million realms,

I practiced and purified Bodhisattva conduct. {10}

42. 117?I have made offerings to however many lords

Have appeared without exception.

I became a holder of their teachings,

And I purified the ocean of this liberation. {11}

42. 118?I became a holder of the Dharma wheel

Of all the past possessors of the ten strengths,

As numerous as the atoms in ten million realms,

And I have meditated on the field of this liberation. {12}

42. 119?I see all the vast extent of the surfaces of atoms,

As many atoms as there are in the Buda realms.

In each atom I see the ocean of realms

That have been purified in the past by the jinas. {13}

42. 120?In all that vast extent of realms,

The lords from their one mind

Manifest countless miracles,

And I see their births in supreme forests. {14}

42. 121?There are certain jinas in certain realms

Intending to attain supreme enlightenment,

Who though they are residing in the world of Tushita

Manifest within an ocean of realms. {15}

42. 122?In countless tens of millions of realms,

I see this vast extent of their births.

I see the lords teaching the Dharma

While in the center of an assembly of youths. {16} [F.218.b]

42. 123?I see in each instant of mind those heroes

Who are as numerous as the atoms in ten million realms

Leaving home and going to the foot of the king of trees

And manifesting the vast field of activity of a Buda. {17}1738

42. 124?They manifest inconceivable numbers of this and that realm,

Which are as numerous as the atoms in a realm.

I see the supreme humans attaining buddhahood

And liberating beings in various existences from suffering.1739

42. 125?They turn the unceasing, self-originated,

Supreme wheel of the surface of each atom.

Their voices have an unceasing ocean of speech.

I see them sending down rain from clouds of Dharma.1740

42. 126?In each instant they manifest passing into nirvana

In many different forms for all beings.

I see, in a single atom of a realm, buddhas1741

As numerous as the atoms in ten million realms.1742

42. 127?Looking at one atom, I see an ocean of realms

And all the jinas who appear in them.

In many hundred billion bodies in my lifetimes,1743

I have gone to make offerings to them. {18}

42. 128?There are all the endless existences of beings

In the inconceivable ways of the ocean of realms.

I come before them all and send down

A rain from the vast clouds of the Dharma. {19}

42. 129?Son of the jinas, I know this inconceivable

Supreme field of liberation,

But I could not teach it all

In countless quintillions of kalpas. {20}

42. 130? Noble one, I know only this Bodhisattva liberation called the miraculous manifestations at the birth of Bodhisattvas throughout all the perceptions of countless kalpas. How could I describe the qualities or know the conduct of Bodhisattvas who in each instant of mind have the motivation to appear in all kalpas from the wombs they have entered; who manifest births that have the definitive understanding of all the ways of the Dharma; [F.219.a] who have the aspiration that gives rise to prayers to make offerings to all the Tathagatas; who are dedicated to attaining the complete realization of all the Dharma of the Buddhas; who manifest like reflections within the classes and existences of all beings; who are born from lotuses at the feet of all the Tathagatas; who are skilled in knowing when the time has come to ripen all beings; who manifest the miracle of taking rebirth with the intention to guide all beings; who manifest clouds of miracles throughout the entire vast extent of realms; and who appear as reflections in all the classes of births and existences of all beings?

42. 131 ? Depart, noble one. In the great city of Kapilavastu there is the Shakya maiden called Gopa. Go to her and ask her, ?How should a Bodhisattva continue in samsara in order to ripen beings?? ?

42. 132 Sudhana, the head merchant's son, bowed his head to the two feet of Sutejomandala rati shri, the Lumbini Forest goddess, circumambulated Sutejomandala rati shri, the Lumbini Forest goddess, many hundreds of thousands of times, keeping her to his right, and, with palms together, looking back at her, departed from Sutejomandala rati shri, the Lumbini Forest

goddess. [B14]
